MARCH & APRIL 2024

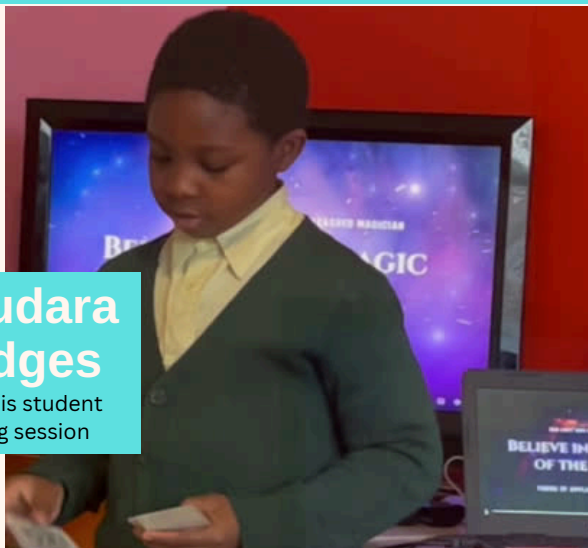

Meet Ny'Ea Reynolds

Ny'Ea Reynolds is a Detroit-based Director, Actor, Producer, and Writer. This opportunity allowed our youth to delve into artistic expression outside the traditional classroom setting. Ny'Ea, with her background in voice-over work, stage acting, and performances, has warmly welcomed our youth at Detroit Unleashed, adding valuable expertise to our devoted team of volunteers.

Leading his student teaching session

During March, the students participated in student teaching, demonstrating their abilities. Observing them excel in their area was truly enjoyable. Detroit Unleashed offers a space for young people to explore their creativity, unlocking their artistic talent. This opportunity not only boosts their confidence in presenting and planning lessons but also aids in uncovering their creative skills.

We Need Dedicated Volunteers

HANNAH SIDBERRY AND LAOH

Hannah supporting and mentoring youth aligns with QUEENS' vision of empowering others through the cycle of "each one, teach one," illustrating the full circle in our youth lifecycle.

Every Dream House requires its guardian angels, and Hannah and Laoh fulfill that role for us. Hannah joined the Dream House in early January as a tenant and has been an incredible addition, bringing joy to both me and the children. Being an alumna of QUEENS (2016), the Cornerstone Schools Association Chapter, she has been involved with our work since the 7th grade. Now a junior at Wayne State University, Hannah continues to be a vital part of our volunteer team.

Hannah dedicates her time weekly to lead afterschool classes and volunteer with the children. Laoh has been an invaluable addition to the household, acting as a guardian and providing emotional support to the kids. The children adore playing with Laoh in the yard and eagerly anticipate their time with him.

Then and Now

QUEENS
(2016 Induction Ceremony)

In April, I celebrated my 48th birthday by revealing the vibrant design updates at the Dream House. I was thrilled to welcome former students from QUEENS who have now blossomed into adults. It was a joyous occasion to share this moment with them, especially as they graduate from college and begin their life paths. Looking back at their growth filled me with gratitude for the vision that was planted in my heart long ago. Seeing it come to life motivates me to remain dedicated to Detroit Unleashed and continue guiding more young individuals on their faith-centered journeys. It feels like a beautiful moment of completion.

Planting Seeds in Fertile Soil

Matthew 13:8

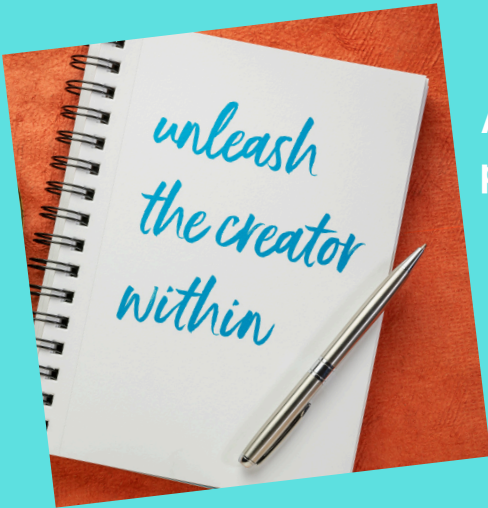

Continuing our mission to impact the lives of the youth in our community, we kindly seek your support. A monthly contribution of \$25 can greatly enhance the growth of our programs, the Dream House, and our community. In Matthew 13:8, sowing into good soil is mentioned. Detroit Unleashed represents that fertile ground, nurturing our youth with love and education to create a positive cycle. Please scan the code to establish your monthly donation of \$25 or more, enabling us to reach as many young individuals as we can.

Other seeds fell on good soil and produced grain, some a hundredfold, some sixty, some thirty. (Matt 13:8 ESV)
